• It supports United Way’s 2-1-1 resource hotline to connect callers with critical basic needs.
• It helps develop a healthy nonprofit sector by supporting over 100 nonprofit organizations.
• It helps engage more than 60,000 volunteers who donate their time on service projects.

TOGETHER WE THRIVE.
Your Gift Changes Lives!

Together we will create a community of opportunity where all people thrive.
1 in 4 people in our community cannot afford their basic needs.

- Over the last three years, homelessness grew 9 percent in the Twin Cities metro area, even amidst record employment.
- Food shelf visits are on the rise. And of those who face hunger, more than 150,000 are our most vulnerable neighbors: children and seniors.
- By 2024, our state is projected to have 400,000 unfilled jobs due to skilled labor shortages.

In Minnesota, children facing persistent poverty are...
- 13% less likely to graduate high school
- 29% less likely to enroll in post-secondary education
- 36% less likely to retain consistent employment

We will create a community where all people thrive regardless of income, race or place. Together We Thrive

Your life-changing support provides our neighbors with...

- Job training and sustainable employment
- High-quality, affordable education from cradle to career
- A place to call home and access to nutritious food
