Greater Twin Cities United Way – Accelerating Change for a More Equitable Twin Cities

- The causes of poverty are interrelated; individuals rarely experience the challenges associated with poverty in isolation.
- GTCUW focuses our work on critical points on the journey toward stabilization and self-sufficiency.
- GTCUW creates conditions for lasting change through a set of interconnected strategies.
- The core of GTCUW’s value-add is found at the axis of these strategies working in tandem to achieve expansive and lasting change.
- Combined, these strategies create a multiplying effect on dollars invested and long-term outcomes for individuals, our community, and the nonprofit sector.
