

# HOME FOR GOOD

Join Home for Good 2020 as we **Unite to Fuel Change** by providing **Welcome Home kits** full of essential household items to individuals and families moving into stable housing.

Approximately **1,400 households** in the greater Twin Cities transition from homelessness to stable housing each year, yet lack necessary items to make a house a home.

## How YOU can support local families:

- **Volunteer at Home (Sept. 1 - Oct. 7)**  
Assemble Home Essential Packs or make a tie fleece blanket for a family
- **Host a Product Drive (Sept. 1 - Oct. 7)**  
Set a goal and rally your coworkers, family & friends to collect essential household supplies
- **Donate**  
Support families transitioning to stable housing
- **Shop our Amazon Wish List**  
Send essential supplies to welcome a family home

## Community vision:

By 2022, all Twin Cities families transitioning to stable housing will have the essential household supplies to create a safe, stable home.
